The Potato Associates program is an affiliate of the Northern Plains Potato Growers Association. Its members are individuals who are non-potato producers, who hold a vast interest in agriculture. The purpose of the NPPGA Potato Associates is to support the potato grower members of the NPPGA.

Any individual may become a member for an annual membership fee of \$50.00 and for companies who would like to have more than one Potato Associate member, there are several options to choose from.

The income that is generated from dues is spent only on special projects designated by the Potato Associates Steering Committee.
